

Dear congregation,

We are very excited for this year's VBS mission project, called *Operation Little Fingers*. Our children will learn about *Deditos* Bible story videos designed and produced in Guatemala, Central America.

*Deditos* uses fingers as actors, to share God's Word with children who may not have the Bible in their language.

Each 30 minute episode is produced first in Spanish and then dubbed into minority languages around the world. Children who have never even heard a Bible story will be able to experience God's love for the first time.

For more information about *Deditos*, and to preview the videos yourself, visit [www.deditos.org](http://www.deditos.org).

Thank you for joining us in this project!

Sincerely,

*Deditos* means "little fingers" in Spanish.

*Operation Little  
Fingers*
