

# Optional Variation

## Little Fingers To Go

### Additional materials needed:

- ▶ Latex gloves (one finger per child)
- ▶ Tongue depressors

1

Cut fingers off a latex glove.

2

Place a tongue depressor inside to support the latex.

3

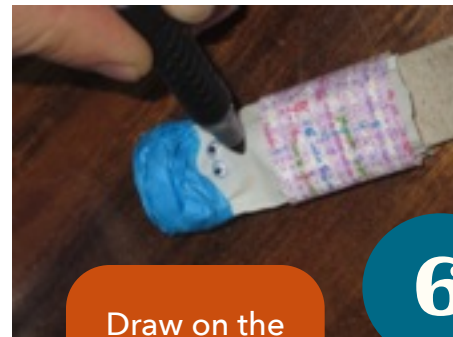

Make the turban as described in the little fingers craft instructions, gluing it to the latex.

4

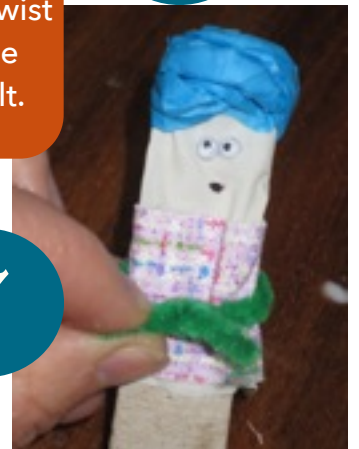

Glue on eyes.

6

Draw on the mouth and twist on the pipe cleaner belt.

7

5

Glue clothes directly onto the latex.

8

Children can wear their little finger, or save it for later.
